

# TALKING HANDS LISTENING EYES

APRIL—MAY 2015

## SCRIPTURE OF THE MONTH

**In that day the deaf shall hear the words of the book,  
And the eyes of the blind shall see out of obscurity and out of darkness. Isaiah 29:18**

Thanks to our Lord Jesus Christ for all of His blessings and mercies. We also want to thank our friends and partners, also to all of you that one way or another have contributed to this ministry. The last few months have been a real challenge, especially for Migdalila and Len and our family. The Lord God is so great that He got us through all the hurts and pains, loneliness that the destroyer called cancer leaves behind as fallout. We also want to thank all of Migdalia's former colleagues from the Hillsborough School District, you guys ROCK! We are so grateful to our church family at Faith Outreach for all the prayers, love and support that they shared with us. Faith Outreach went over and beyond what any one entity could offer or do humanistically to help soothe the pain, thank you so much FOC and thank you pastor and sister Mickey.

Another battle won is that of the school getting its national recognition! It is done, the school is now fully officially an integral part of the Educational System of the Dominican Republic. In newsletters prior we mentioned that there were two parts to the accreditation process and that we had obtained one of them back in November. In April we were awarded the certificate of full accreditation from the Ministry Of Education of the Dominican Republic, thank you Jesus. To Him be all the glory. As result of the corporate efforts and sacrifices that all of us have overcome by staying true to the calling and what God has commanded us to do, those that had a dim outlook on their future; now have a more positive view on what is to come. They now can hold their heads up high and claim their rightful place in society. Please don't forget them. God bless you and thank you for your obedience. "For you were called to freedom, brothers and sisters; only do not use your freedom as an opportunity to indulge your flesh, but through love serve one another. For the whole law can be summed up in a single commandment, namely, ***You must love your neighbor as yourself.***" Galatians 5:13-14. Although the school has its national recognition it is still a long way from surviving on its own. Since education for the deaf is still in its infant stage we are committed to supply, feed, transport, pay salaries and provide transportation for the students. In addition we have a school to build, the land is being purchased, but the building still needs to be built. In short, there is still a lot of work to be done.

Also our website is being reconstructed, we invite you to visit us at [www.talkinghandslisteningeyes.com](http://www.talkinghandslisteningeyes.com) browse around and let us know what you think. In addition the ministry's (THLE) new email address is [info@talkinghandslisteningeyes.com](mailto:info@talkinghandslisteningeyes.com) this is where the newsletters and any communication with the ministry will come from. Please add it to your contacts for up coming newsletters & ministry information.
